patience to listen to your troubles.
Smell that? An escargot roast about to begin in the comment section.
Everyone deals with Life's crap at one point or another, that's quite dull to hear.
But not many can handle the challenges.

Survival

listening to. I don't like sad endings.

Even if you lose a "fight", you'll earn
my respect for scuffling through first.
Says the hypocrite who whines
25/7..

Give me a happy ending.
Oh.Hue.Hue.Hue.
Did you see that coming?
Oh.Huehuehue.
Excuse me, I have some growing up to do.
Ok, I'll stop now.

What's the name of the

song doe?

Not sure if kidding... but thank you for surviving?

I kinda need the reader views, you know. Do refrain from offin' yourself and stuff.

On a very random note, so I was going to kill myself yesterday
Got a knife to my chest and a gaping hole on my t-shirt too.

Normal people be like "I'm here for you."
Or listen to what troubles someone, you know?
Nah, that'd be lying.
I'm your captor, not therapist
I lack the
